

PRINCIPAL'S ANNUAL REPORT – 2023 -2024

A very Good Afternoon to everyone!

Respected Chief Guest Prof. Karunesh Kumar Shukla, Director MANIT Bhopal, Guest of Honour Prof. Gajendra Dixit and Prof. Savita Dixit Professors in MANIT Bhopal, Director, Mr. Mitesh Rathi Sir, our admin and teaching staff, dear parents, students, and all our well-wishers,

I take immense pleasure in welcoming all of you on this special occasion of our Third Annual day celebration named Euphoric Exploration. I feel really honoured to present the 3rd Annual report of The Sanskriti School, Bhopal for the academic year 2023 - 2024.

First and foremost, I would like to thank God Almighty for all the blessings showered upon us since the inception of the school.

The Sanskriti School, Bhopal

The Sanskriti School is promoted by Mr. Mitesh Rathi, a name taken with respect amongst the erudite and scholarly. An M.Tech from MANIT, Bhopal, Mr Rathi is an ardent teacher. He set up MITESH RATHI CLASSES in the year 2002, with an aim to give the right guidance to students to excel in School, Board and competitive exams. In a short span of time, the training centre was acknowledged as one of the best institute for competitive examinations, with a record of the highest number of selections in JEE Main and JEE Advanced in the city. The institute has emerged as one of the largest and most successful training institution in M.P. and has fueled the aspirations of more than 20,000 students. It is with this zeal, in the year 2021, Mr. Mitesh Rathi Sir started 'The Sanskriti School, Bhopal', which continues to open a world of opportunities for integrated development of students, providing them global perspective required to adapt in this challenging world. The Sanskriti School, Bhopal believes and respects all cultures of all religions and communities and promotes understanding and appreciation of their valuable heritage, culture, and values. Here we set standard and goals for ourselves and strive to achieve them- be it in the area of Academics, co-curricular activities, discipline, leadership and more.

CBSE AFFILIATION FOR SECONDARY SECTION

We are very happy to inform you that we have already received the CBSE affiliation for Secondary School (CBSE Affiliation Number- 1031312) (Grade 9 & 10). We received this affiliation after a rigorous inspection process by a team of IC (Inspection Committee) members duly constituted by the CBSE - NEW DELHI. Being a very new school this is a great achievement. We would like to express our sincere thanks to all our parents and well-wishers for their constant support for our endeavors to ensure quality education for our students. We assure you that we will continue our efforts to achieve excellence. (Meanwhile, we will also be starting the process of getting CBSE affiliation for the senior secondary (i.e., Grade 11 and 12).

ACADEMICS

Academics is the core focus of our school. All the possible efforts have been made in the ongoing session, the details of which are as follows:

- ✚ **Performance Booster Classes:** Our students did well in different Olympiads because of the Performance Booster Classes held for providing special coaching for the same.

- ✦ **Performance Improvement Program:** For strengthening conceptual learning of the students and for guiding them about the manner of writing answers Performance Improvement Program was strategized and implemented.
- ✦ **English Improvement Program:** The school launched the English Improvement Program for helping the students in polishing their linguistic skills and become masters of them. Another initiative in this direction was word of the day wherein students were given the word bank for the month.
- ✦ **Revision Program:** This year before the Term I Examination, Class tests were conducted for special revision which had a positive impact on the Term I result and the effort was greatly applauded by the parents.
- ✦ **Star Class Award:** This award is given to the class having good attendance along with the discipline and class conduct.

We will definitely continue to make extra efforts in the next academic session as well to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution. Good education indeed transforms human personality perfectly to adapt in all possible circumstances.

ONLINE CLASSES

The first academic year commenced with the exclusive online classes initially and later, a hybrid model of online as well as face to face classes were introduced. Detailed guidelines were issued by the authority to be followed during this pandemic. Initially school used Zoom as our platform for online classes. Timing and timetable were also modified to fit to the online classes. We are now having full-fledged offline classes with incorporation of activities of varied dimensions.

1. The school Curriculum

Updated School **curriculum rationale** is in place. One of the major goals of the school is to have a competent curriculum in place. Curriculum was earlier modified for online classes. But now, rigorous curriculum modification is going to take place for the next academic year to imbibe the recommendations of the NCFSE and NEP 2020. KG curriculum will be revised, modified, and enriched to enhance the quality to suit the foundational stage requirements of CBSE related to Foundational Literacy and Numeracy. More emphasis will be given to theme-based teaching with lots of importance on speaking skills along with other skills like basic civic manners and etiquettes.

Curriculum for Grade 1 to 10 is enriched to make students more competent to face future exams like various Olympiads. Curriculum is developed to meet the varied needs of our students including academic, co-curricular, recreational and physical fitness needs. Series of curriculum development sessions are going to take place in the month of March and April 2024. Basic subjects like languages, Science and Social Science will continue to have the prominent place in the curriculum.

Major activities like Taekwondo, Football, Skating and Minor activities like Music (Vocal and Instrumental), Dance and Fine Arts are undertaken for improving the talent of the students in various fields as per their choice and capability. Special coaches/Teachers also have been appointed for training students in these activities.

2. Assessment system and student attainment

Within three years of our existence, TSS could establish a robust assessment system across all grades. Our assessment system is stress free and helpful to enhance student achievement and progress. It is scientifically designed and proved system, especially in primary section and Pre-Primary Section. The system of result analysis is rigorous at our school and the analysis of student's attainment based on the school-based assessments is done at the end of the academic year with a target set at minimum 95% success rate.

3. Quality assurance in teaching

All the efforts have been taken to ensure quality in teaching. We have selected competent teachers during the current academic year and the selection process for the next academic year is going on. We have a very robust system of teacher's lesson observation which includes observation by the principal, group observation and peer observation. A variety of training sessions on various topics are organized for all the teachers on regular basis to equip them with 21st Century skills and competencies as per the CBSE guidelines. These trainings for the teachers will continue in the next academic year as well. Coaching is also provided to the students of Grade VI to Grade IX from the guest faculties who are IITians and experts of their respective subject.

STUDENT'S ATTENDANCE

The Average Student **Attendance for the academic year 2019-2020 was 95% and the overall attendance percentage from April 2023 to January 2024 is 94.5%**. To promote the regular attendance in the next Academic session, certificate will be issued for those students who have 100% overall annual attendance. We need the cooperation and support from our parents to achieve this target.

THE SANSKRITI SCHOOL IN SOCIAL MEDIA

School social media accounts have been regularly updated with various Co-Curricular and CBSE activities and other events, birthday posts, posters of the winners of various competitions and other necessary information. Special attention is paid to dissemination of information about important days celebrated on different dates and the reason for their celebration. We request you to encourage our students and their activities in these social media platforms.

CO-CURRICULAR ACTIVITIES

During the Academic year 2023-24, we have conducted various the following activities for ensuring the overall development of the students:

- ✦ **Inter School Competitions:** Our school students participated in Inter School Dance Competition organized by Sahodaya Group and stood as winners. Participation was ensured in various sports events as well where our students performed well. Tarni Gurjar also got into top 250 students in English Masters Championship.
- ✦ **CBSE Activities:** Activities related to CBSE circulars are conducted for students of all the grades as and when applicable. The School celebrated International Youth Day, Makar Sankranti, Navratri, Fit India Fitness week, Road Safety Week, Swachhta Pakhwada and many other days as per the CBSE guidelines.

- ✚ **Sports competitions:** Students participated in Inter School Competitions held for Swimming, Skating, Football, Basketball etc. which helped them to get exposure in their sports, boosted their confidence level and helped them identify the areas needing improvement so that they can make necessary improvements. Adhya Baghelwal of Grade VIII of our school bagged Gold Medal in Taekwondo championship.
- ✚ **Tours and Excursions:** Students were taken to Van Vihar, Yodhasthal and even for a movie show for inspiring them and giving them educational exposure related to their subjects. These helped them to broaden their perspective, opinion and channelize their energy in positive direction, creating a sense of responsibility at the same time.
- ✚ **Club Activities:** Major activities like Taekwondo, Football, Skating and Minor activities like Music (Vocal and Instrumental), Dance and Fine Arts are conducted on a weekly basis to give wings to students hidden abilities and talents. Special coaches/Teachers also have been appointed for training students in these activities.
- ✚ **Olympiads:** Various Olympiads were conducted for Science, Mathematics, Computer, Social Science and Languages for which special classes in the form of Performance Booster Classes were conducted and as a result of this the students fared well in these Olympiads.
- ✚ **Spell Bee Competitions:** Students participated enthusiastically in the spell bee competitions as they were already trained through word of the day practice adopted in the assembly on a daily basis.
- ✚ **Inter-class competitions:** Inter class competitions were held for Notice Board Decoration, Rangoli Making, Best out of Waste, Poem Recitation, Spellathon, General Knowledge Quiz etc. wherein students could show their innate abilities with full fervor.

THE SANSKRITI SCHOOL FEST

We organized TSS fest 2023-24 for students and parents of the TSS family wherein the students and the parents showcased their talents. Competitions were organized for the parents for Rangoli and Mehndi. Before the fest various competitions and quiz were organized for the students of all the grades and final round of these was held on the day of Fest. These programs were organized to enhance the various skills of our students. The competitions were judged by the internal and external judges with clear judging criteria to ensure fair result. The results of these competitions and the photos of the winners were uploaded on the Social Media Platforms.

PROSPECTIVE PLAN FOR 2024-2025

Our school is presently a CBSE affiliated Secondary school. Following are our prospective plan for the academic year 2024-2025.

1. **Separate laboratory:** Separate labs are being constructed for Physics, Chemistry and Biology so that students of Senior Secondary Classes can perform practical in these labs. School is also planning to have an AI and Robotics lab for inculcating critical thinking competencies and scientific temper in the students.
2. **Academic Awards:** All the academic awards including the award for considerable improvement, will be given based on the academic performance of students for the ongoing academic session. Some special awards will also be included in them.

3. **New ERP System:** School is launching a much advanced ERP system facilitating tracking of buses and many other essential services considered important for students' safety and tracking of their academic performance.
4. **Online and Offline Content:** The school will be adopting the books providing offline as online content through Mobile Applications and Learning Management System.
5. **New Clubs:** The school will be starting various clubs like Heritage Club, Health and Wellness Club, Eco Club, Cyber Club, Science Quizventure Club, Lingua Lounge Club, Oratory Oasis Club and General Awareness Quizventure Club etc. through which the talents of the students can be polished and directed in the right direction so that they can find the best possible career guidance for future

CONCLUSION

We believe that we have done a wonderful job for last three years of operation of our school and our esteemed parents and students have expressed their high level of satisfaction regarding the academic as well as co-curricular activities offered at The Sanskriti School. We will continue our unceasing efforts to bring standards of education to the level of highest possible perfection for our community.

On this memorable occasion of our 3rd Annual day, as we recount our achievements and success with pride and happiness, I would like to dedicate whatever we could achieve, to our beloved students, committed team of teachers, other staff and valued parents of The Sanskriti School. I thank our management team for their wholehearted encouragement and continued support. A special thanks and appreciation for their initiatives for the expansion of the campus with more infrastructure facilities.

We seek the blessing from the God Almighty to help and guide us in the future in the right direction. Let noble thoughts come to us from every side.

Thank you
